**Activity**

- Do you think that the woodcutter was right? Give reasons for your answer.

**Answer:**

Yes, the woodcutter was right because he was truthful in saying that he had lost his iron axe. One time's greed would not have ensured his (UPBoardSolutions.com) survival for the lifetime. He needed. only iron axe which could strongly cut the wood and help him earn some income regularly.

- What would you do if you find a pencil box in the playground?

**Answer:**

I would give it to my class teacher or school's reception so that the student who had lost it could be able to get it.
