degree programs available

Admission requirements

If you are coming to university directly from high school, or have completed less than one year of university studies, you'll take the direct entry route into a faculty or program: this means either beginning in University 1 (U1) or applying to a program that offers a direct entry option.

Students who have completed 24 credit hours or more of university study can apply as a transfer student to a program via the advanced entry route. External transfer students may receive up to a maximum of two years (60 credit hours) of transferable credit to be applied towards a UM degree. Admission requirements vary by program. To learn more visit umanitoba.ca/applynow

English language proficiency

If English isn't your first language, or if you're from a country where English isn't the primary language, you may need to show English language proficiency through a qualifying waiver or English language test. UM requires a minimum 6.5 IELTS (min 6.0 in each module), 86 TOEFL (min of 20 in each area) or overall score of 120 Duolingo English Test (min 105 in each component).

Consider a preparatory program if you do not meet the requirements. umanitoba.ca/elp

4th Year, Faculty of Science

Science Co-op gave me hands-on experience I couldn't get in class. As an international student, I found it showed me what a career in biology could look like and made me feel more confident applying for jobs in Canada.

Application Process

1. Apply

Apply to UM

With three flexible intakes per year, you can begin your studies in September, January (select programs only) or May (select programs only).

Fall Term deadline: March 1*

Winter Term deadline: October 1

Summer Term deadline: February 1

umanitoba.ca/applynow

** The Fall application deadline for University 1 is May 1.*

\$130 CAD application fee

Submit a joint English Language Centre (ELC) + undergraduate studies application if you do not meet the English language proficiency requirements. Conditional admission may be granted on the basis of successfully completing Level 5 of the IAEP.

\$305 CAD application fee
(ELC + undergraduate studies)

Apply to residence

On-campus housing requires a separate application. Apply early at umanitoba.ca/housing

You do not need to hold an offer of admission in order to apply for residence.

2. Submit

Submit documentation

Sign in to your application portal at umanitoba.ca/application to check your status and review the requested documents required to process your application.

Be sure to upload a copy of your interim/predicted scores into your application portal for a preliminary review.

Submit proof of English language proficiency (as required).

Final official transcripts and proof of high school graduation are required. Official documents can be submitted electronically from your home institution to applicant.services@umanitoba.ca or by mail to:

Undergraduate Admissions
University of Manitoba
424 UMSU University Centre
66 Chancellors Circle
Winnipeg, Manitoba R3T 2N2 Canada

Documents issued in a language other than English must be accompanied by a certified English translation.

3. Accept

Receive and accept an offer of admission

Current high school students may receive a conditional offer of admission based on interim/predicted senior level grades.

Students who apply to the joint ELC undergraduate studies option will be assessed for conditional admission to the University of Manitoba.

All offers of admission are subject to a review of final grades.

Offers must be accepted by the deadline indicated in your admission offer.

A non-refundable tuition deposit of \$2,000 CAD will also be required at the time of acceptance.
