University
of Windsor

Ranked #1 rising star among Canada's universities, *Huffington Post* 2017

"UWindsor is growing not only in enrolment and endowment, but also in size and scope of programs. The institution has invested hundreds of millions of dollars into new buildings, programs, and research over the past year."

YOUR LIFE. THE WORLD.

ANYTHING IS POSSIBLE.

We're the campus where you'll find the programs you want, the smaller student-to-faculty ratio you need, and the hands-on learning opportunities that will set you on the path to your future.

CAMPUS HIGHLIGHTS

Almost 200 years ago, the seeds of the University of Windsor were sown near the banks of the Detroit River, on the traditional territory of the Three Fires Confederacy of First Nations. From that has grown a medium-sized campus where you will feel at home.

Blue and gold may be our official school colours, but we're green at heart. In fact, we're ranked one of the top five greenest universities in Canada. We're proud of our heritage, our beautiful campus, and all we have to offer you.

TOLDO HEALTH EDUCATION CENTRE

Where you'll find the Faculty of Nursing. Its state-of-the-art Clinical Learning Centre is where students practise their skills on computerized "mannequins", who can actually talk, breathe, and respond to treatment.

ODETTE SCHOOL OF BUSINESS

Odette is home to spacious classrooms, a 350-seat lecture theatre, the interactive Odette Financial Markets Lab, team rooms, labs, and a great café!

LEDDY LIBRARY

Leddy Library is your link to worldwide information, including such physical resources as books, maps, multimedia and microfilm, but also powerful online resources accessible to you from anywhere.

CAW STUDENT CENTRE

The heart of our campus—whether you're hungry for food, conversation or the latest Lancer sports apparel in the Campus Bookstore. Find it all here!

ASSUMPTION HALL

Built in 1875, it's one of the campus' original buildings. Today, Assumption is where you'll find the offices of upper administration.

DILLON HALL

Magnificent Dillon Hall, built in 1928, is a timeless architectural space—yet its classrooms are equipped with modern technology.

DOWNTOWN CAMPUS

Windsor Hall

SOCA Armouries

Alan Wildeman Centre for Creative Arts

ED LUMLEY CENTRE FOR ENGINEERING INNOVATION

Known as the CEI, it offers eight classrooms and 80 labs. CEI's innovative design means you can learn from it as a living laboratory. Check out its three unique cross-atrium bridges.

THE JOYCE ENTREPRENEURSHIP CENTRE

At the Entrepreneurship Practice and Innovation Centre, you can incubate your business idea! Also home to Co-op, Career and Employment Services, Campus Police and Parking Services.

ST. DENIS CENTRE

The UWindsor Lancer teams call the St. Denis, "Our House." It's also where you'll find Lancer Recreation Services, outdoor and indoor stadiums, a pool, and The Forge—our fitness centre. Next door is the Faculty of Human Kinetics.

WYANDOTTE ST.

CALIFORNIA AVE.

SUNSET AVE.

PATRICIA AVE.

COLLEGE AVE.

ESSEX HALL

Where the arts and sciences come together in the labs and classrooms of the Faculty of Science, and in performances by the University Players in the 320-seat Essex Hall Theatre. Great and innovative things happen here!

STEPHEN AND VICKI ADAMS WELCOME CENTRE

This should be your first stop when you visit campus. Inside this stunning architectural gem, its staff can chat with you about your program of interest, give you directions, or tell you about the services available to our grads. It's the starting point for campus tours.

ALUMNI HALL AND CONFERENCE CENTRE

Have you considered living on campus? It can make a great university experience even better! We have four Residence buildings: Alumni, Cartier, Laurier and Macdonald Halls. Residence staff live right onsite to offer you support 24/7. You'll never feel alone there.

ALUMNI FIELD

Opened in 2005, it has 2,000 permanent seats and a capacity for more than 10,000 spectators. It features an artificial field turf football/soccer field, and 400M outdoor running/walking track, and three, multi-purpose grass fields.

UWINDSOR.CA/VIRTUALTOUR

A photograph of a university campus. In the foreground, a young man in a light blue button-down shirt and dark jeans is walking towards the right, looking back over his shoulder. To his left, a young woman with long blonde hair, wearing a light blue button-down shirt, is walking towards the left, smiling. In the background, several other students are sitting on a grassy area. A man in a dark blue shirt and cap is sitting on the grass, looking down. A woman in a white t-shirt is sitting on the grass, looking away. A man in a dark blue jacket and striped shirt is sitting on a stone wall, looking at his phone. The background shows a modern building with large windows and some trees.

A background photograph showing three students sitting on a stone wall in a sunny outdoor setting. A young woman with long blonde hair is in the background, looking to the left. In the foreground, two young men are sitting, one wearing a blue baseball cap and a grey t-shirt, and the other wearing a white t-shirt. They are both looking towards the right. The scene is bright and green, with trees and a building visible in the background.

OUR DEGREE PROGRAMS

At UWindsor, we have more than 200 majors and 50 minors, so you can tailor your academic experience.

Our program accreditations include:

- Ontario Universities Council on Quality Assurance
- AACSB International—The Association to Advance Collegiate Schools of Business
- Graduate Management Admission Council (GMAC)
- Canadian Association of Schools of Social Work Education
- Canadian Association for Co-operative Education (CACFE)
- Staff and Educational Development Association (SEDA)
- Canadian Engineering Accreditation Board (CEAB)

Concentrations

ENGINEERING

Our curriculum emphasizes analysis, synthesis and design. Co-operative education is available in all programs after first year.

Our \$112-million, 300,000 square-foot Ed Lumley Centre for Engineering Innovation (CEI) features state-of-the-art classrooms, dynamic research laboratories and collaborative spaces to give you real-world experience.

Earning a UWindsor engineering degree will help you make the world a better place in so many rewarding ways.

As an engineer, you could help plan communities, provide clean drinking water, build bridges or design automobiles. The sky is the limit! Engineers use their knowledge to creatively solve the practical problems that face our society.

Your engineering education will begin with a broad base of fundamental science, mathematics and engineering courses common to all programs. Stream-specific courses follow in subsequent semesters.

SCIENCE

Physician? Pharmacist? Researcher? What is your dream?

Studying science at the University of Windsor can help launch you on the road to your ideal career.

You'll benefit from high-quality undergraduate programs in newly renovated facilities, taught to small classes, and faculty who are leaders in their fields.

Imagine taking part in interdisciplinary research in such areas as the environment, materials chemistry, biological sciences, or physics. Unlike most science programs, UWindsor science students begin their laboratory work in Year One.

Many programs offer experiential learning opportunities not found at other Ontario universities such as co-operative education, internships, field trips and research.

NURSING

Nursing is the science of applying knowledge, the technical aspects of practice, and the art of establishing a caring relationship. Our collaborative, four-year honours BScN program will prepare you for a career in nursing with extensive clinical work, which begins in first year. You may also gain experience as a peer mentor or research assistant.

Potential nursing roles may include being a clinical practitioner, administrator, educator or researcher. A nurse may practise in such settings as a hospital, clinic, home or industry.

PATHWAY PROGRAM

NEED ENGLISH LANGUAGE PROFICIENCY?

International students who do not meet the English language proficiency requirement may be accepted into their program on the condition they complete the English Language Improvement Program (ELIP) before starting their degree.

ELIP is available to both undergraduate and graduate students who need to meet language proficiency requirements for admission.

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

- Offered by the Centre for English Language Development (CELD), this Pathway Program + conditional admission to an academic program is a great study plan.
- There are five (5) levels.
- Each ELIP level is 12 weeks; intensive, full-time programs.
- Classes are offered each semester, and all year.
- Programs are available to graduate and undergraduate students.
- Successful completion of ELIP 3 meets University of Windsor English proficiency requirements for undergraduate and graduate admissions.
- Each level builds upon the previous by developing and expanding on reading and listening comprehension, as well as, oral and written communication for academic success.
- Web-enhanced learning and innovative use of technology used in class instruction.
- Facilities include modern classrooms with technology, computer lab, and student lounge.
- Social activities, student support, and access to campus facilities and resources included.

You must obtain a study permit for both academic and ELIP programs. Please visit cic.gc.ca for details.

REQUIRED TEST SCORES FOR ACADEMIC ADMISSION

Test	Minimum Score*
IELTS	6.5
CAEL	60
MELAB	85
TOEFL** (IBT)	83 with 20 essay
PTE	60

* Minimum entrance requirement. The English Language Proficiency requirements may vary by program. Please see page 26.

**Some programs may require higher TOEFL

CERTIFICATE PROGRAMS

Expand your knowledge and create a unique educational path for yourself. These programs are intended for undergraduate degree holders looking to enhance their previous learning.

ADMISSION REQUIREMENTS 2019

ENGLISH LANGUAGE PROFICIENCY

Applicants whose native language is not English must demonstrate proficiency in English to be considered for admission. This can be demonstrated in the following ways:

1. A minimum score of 6.5 on the International English Language Testing System (IELTS); or
2. A minimum score of 60 on the Canadian Academic English Language Assessment (CAEL); or
3. A minimum score of 60 on the Pearson Test of English Academic (PTE); or
4. A minimum overall score of 176 on the Cambridge English: Advanced (CAE) or the Cambridge English: Proficiency (CPE); or
5. Successful completion of the University of Windsor's English Language Improvement Program (ELIP)* (level III) with a minimum final grade of 75%; or
6. A minimum score of 85 on the English Proficiency Test administered by the English Language Institute of the University of Michigan (MELAB); or
7. A minimum score of 220 with a T.W.E. 4.5 on the Computer-based Test, 83 with an essay score of 20 on the Internet-based Test of English as a Foreign Language (T.O.E.F.L.); or
8. Receive a minimum of five semester transfer credits based on work completed at a recognized English-speaking University. (Normally, students must have at least one term of full-time study.); or
9. Receive a minimum of one year of transfer credit based on work completed at a non-university post-secondary institution with an overall transfer average of B; or
10. Have completed all secondary or post-secondary education in English speaking countries such as the United Kingdom, West Indies and other countries as specified by the Office of the Registrar; or
11. Can demonstrate that they have completed three years of full-time secondary or post-secondary study in a school where the language of instruction is English (e.g., in a British, Canadian, American or Australian Curriculum or an international diploma like the International Baccalaureate) and can demonstrate English proficiency. In some cases an English proficiency test may still be required; or
12. Applicants who do not satisfy the above requirements and wish exemption must provide the Office of the Registrar with a letter detailing the reasons for their appeal and include a letter of recommendation from their Secondary School principal or designate. The Registrar (or designate) will assess the request for exemption of this requirement.

Note: The University reserves the right to require applicants with an English Language Proficiency score disparate from their academic English prerequisite achievement to present further evidence of proficiency.

**For more information on the University of Windsor's 12-week intensive English language training program, go to uwindsor.ca/celd/ important-application-information.*

BRITISH-PATTERNED EDUCATION

Five Passes on the General Certificate of Education including two at the Advanced or, four passes on the General Certificate of Education, including three at the Advanced Level. Two Advanced Supplementary (AS) Level courses may be substituted for an Advanced Level Course. Applicants who receive a "C" grade in final GCE Advanced level examinations will be considered for transfer credit for those courses that have been assessed as equivalent to specified or unspecified University of Windsor courses and are relevant to the student's academic program. No transfer credit will be granted for Advanced Subsidiary level examinations. (Maximum credit 6 semester courses)

CHINESE NATIONAL CURRICULUM

Senior High School Graduation Diploma and Chinese University Entrance Examination (NCEE/Gao Kao) if available. Six Senior Level academic courses.

INDIAN CURRICULUM

All India Senior School Certificate (awarded by CBSE), Indian School Certificate (awarded by CISCE) or Intermediate/Pre-University/Higher Secondary/Senior Secondary School Certificate (State Boards). Six Senior Level academic courses.

INTERNATIONAL BACCALAUREATE

Applicants who have completed the International Baccalaureate Diploma with a minimum overall score of 24, and passes in a minimum of 6 subjects including at least three courses at the Higher Level will be considered for admission to the University of Windsor. Applicants who are also completing a provincial or national high school program have the option of being considered for admission on the basis of the high school program. Applicants whose native language is not English will be required to demonstrate proficiency in English subject to the University of Windsor policy.

OTHER COUNTRIES

Secondary school or high school graduation certificate consisting of 12 years of study. Generally, 6 Senior Level Academic courses are required.

DEGREE CHOICES AND ADMISSION REQUIREMENTS

Economics BA	Grade 12 Math	Fall/Winter/Summer
Economics BSc	70% Science/Math average. Calculus and Data Management strongly recommended for BSc Honours Economics.	Fall
EDUCATION	For candidates with an existing degree.	Fall
CONCURRENT EDUCATION PROGRAMS	Grade 12 English, Admission to first year only.	Fall
Concurrent Communication, Media and Film		
Concurrent Drama/Education		
Concurrent English Language and Literature/Education		
Concurrent French Studies/Education	Grade 12 English, Grade 12 French, Admission to first year only.	
Concurrent History/Education	Grade 12 English, Admission to first year only.	
Concurrent Visual Arts/Education	Grade 12 English, Admission to first year only.	
Concurrent Science/Education	Grade 12 English, Grade 12 Math, two of the following: Biology, Chemistry, Physics. Calculus strongly recommended. A Minimum 70% average in all attempted Science and Math courses. Admission to first year only.	
Concurrent Mathematics/Education	Grade 12 English, Grade 12 Math. Physics recommended. A minimum 70% average in all attempted Math courses. Admission to first year only.	
Concurrent Psychology/Education/Early Childhood Education	Grade 12 English. Admission to first year only.	
Concurrent Music Education/Education	Grade 12 English. Audition including theory evaluation test and performance on major instrument. Admission to first year only.	
ELECTRICAL ENGINEERING	Grade 12 English, Grade 12 Math, Chemistry, Physics. Calculus strongly recommended. A minimum 74% average in all attempted Science and Math courses (excluding Biology).	Fall/Winter
Electrical Engineering (Co-op)		
ENGINEERING (General) (Co-op)	Grade 12 English, Grade 12 Math, Chemistry, Physics. Calculus strongly recommended. A minimum 74% average in all attempted Science and Math courses (excluding Biology). Students may apply for optional co-op when applying for admission to the program.	Fall/Winter

Degree Title / Program	Course Requirements	Intakes
ENGLISH (all programs)	Grade 12 English. Grade 12 Writing strongly recommended for creative writing majors.	Fall/Winter/Summer
English Language and Literature		
English Literature and Creative Writing		
ENVIRONMENTAL ENGINEERING (Co-op)	Grade 12 English, Grade 12 Math, Chemistry, Physics. Calculus strongly recommended. A minimum 74% average in all attempted Science and Math courses (excluding Biology). Students may apply for optional co-op when applying for admission to the program.	Fall/Winter
ENVIRONMENTAL STUDIES / ENVIRONMENTAL SCIENCE	Grade 12 English	
Environmental Studies	Grade 12 English	Fall/Winter/Summer
Environmental Science	Grade 12 English, Grade 12 Math, Chemistry, Biology. Physics recommended. A minimum 70% average in all attempted Science and Math courses.	Fall/Winter/Summer
FAMILY AND SOCIAL RELATIONS	Grade 12 English	
FORENSIC SCIENCE / FORENSICS (ALL PROGRAMS)	Grade 12 English, Grade 12 Math, Grade 12 Chemistry, Grade 12 Biology.	Fall/Winter/Summer
Forensic Science	Grade 12 English, Grade 12 Chemistry. Calculus recommended and Physics strongly recommended. A minimum 70% average in all attempted Science and Math courses.	Fall/Winter/Summer
Forensics (Combined BA with another major in Arts, Humanities and Social Sciences)	Grade 12 English, Grade 12 Maths, Grade 12 Biology strongly recommended.	Fall/Winter/Summer
FRENCH	Grade 12 English, Grade 12 French	Fall/Winter/Summer
French (with year abroad)		
GENERAL SCIENCE	Grade 12 English, Grade 12 Math, two of the following: Chemistry, Biology, Physics. Calculus strongly recommended. A minimum 70% average in all attempted Science and Math courses.	Fall/Winter/Summer
GREEK AND ROMAN STUDIES	Grade 12 English	
HISTORY	Grade 12 English	Fall/Winter
HUMAN KINETICS/KINESIOLOGY	Grade 12 English, Grade 12 Biology A minimum 70% in each of Grade 12 English and Biology.	Fall/Winter
INDUSTRIAL ENGINEERING (all programs)	Grade 12 English, Grade 12 Math, Chemistry, Physics. Calculus strongly recommended. A minimum 74% average in all attempted Science and Math courses (excluding Biology). Students may apply for optional co-op when applying for admission to the program.	
Industrial Engineering (Co-op)		Fall/Winter/Summer
Industrial Engineering (Co-op)		Fall/Winter
INTERDISCIPLINARY ARTS AND SCIENCE	Grade 12 English, Grade 12 Math, two of the following: Biology, Chemistry, Physics. Calculus strongly recommended.	
INTERNATIONAL RELATIONS AND DEVELOPMENT STUDIES	Grade 12 English	Fall/Winter/Summer
LAW	For candidates with an existing degree.	Fall/Winter/Summer
LAW AND POLITICS	Grade 12 English	Fall/Winter/Summer
LIBERAL ARTS AND PROFESSIONAL STUDIES	Grade 12 English	Fall/Winter/Summer

DEGREE CHOICES AND ADMISSION REQUIREMENTS, CONTINUED

Degree Title / Program	Course Requirements	Intakes
MATHEMATICS AND STATISTICS (all programs)	Grade 12 English, Grade 12 Math	
Mathematics	A minimum 70% average in all attempted Math courses.	Fall/Winter/Summer
Mathematics and Statistics		Fall/Winter/Summer
Mathematics and Computer Science		Fall/Winter/Summer
Combined Honours Mathematics		Fall
Mathematics with Finance Concentration	Grade 12 English, A minimum 75% average in all attempted Math courses.	Fall
MECHANICAL ENGINEERING (general) (Co-op)	Grade 12 English, Grade 12 Math, Chemistry, Physics. Calculus strongly recommended.	Fall/Winter/Summer
MECHANICAL ENGINEERING (general)	A minimum 74% average in all attempted Science and Math courses (excluding Biology). Students may apply for optional co-op when applying for admission to the program.	
Mechanical Engineering (Aerospace option)		Fall/Winter

UNDERGRADUATE SCHOLARSHIPS AND AWARDS

The university provides over \$11 million in scholarships & bursaries per year.

When you apply to UWindsor, you will be automatically considered for our open entrance scholarship program. No matter which program you choose, your academic achievements will be reviewed.

Average Required*	Scholarship
85-89.9%	\$1,000 University of Windsor Entrance Scholarship
90-94.9%	\$10,000 (\$2,500 per year) Dean's Renewable Entrance Scholarship**
95-100%	\$16,000 (\$4,000 per year) President's Renewable Entrance Scholarship**

* Percentages are based on Ontario Standards.

** Students must maintain an 85% average to continue to receive the renewable scholarships for the additional three-years.

Outstanding Scholars Program

This program is available for high-achieving students and includes paid, research opportunities through student/professor collaboration.

To learn more about all the Outstanding Scholars Program, please visit uwindsor.ca/outstandingscholars

In-course Scholarships and Awards

We offer a variety of awards for students in their second, third and fourth years of study.

To learn more about all the scholarships available, please visit uwindsor.ca/studentawards

NOTES

INTERNATIONAL STUDENT TESTIMONIALS

Aditya Vyas,
Vadodara, India

My University of Windsor experience has been exceptional. The teaching is incredible with amazing engineering facilities and superior support from faculty members. For a final year project or a simple question in the class, a faculty member will always help. The campus is so vibrant that I never feel like I'm away from home.

Chelsea Okonji
Lagos, Nigeria

The International Students Centre (ISC) helped ease the transition when coming to the University of Windsor. The ISC often hosts events for international students to get acquainted, share their experiences and learn about Canadian culture.

Staying in residence was also helpful with the transition to Canada. I was able to connect with other students and get familiar with the campus. I even worked for residence services. This enhanced my communication skills and allowed me to gain some valuable work experience.

Eric Chen
Beijing, China

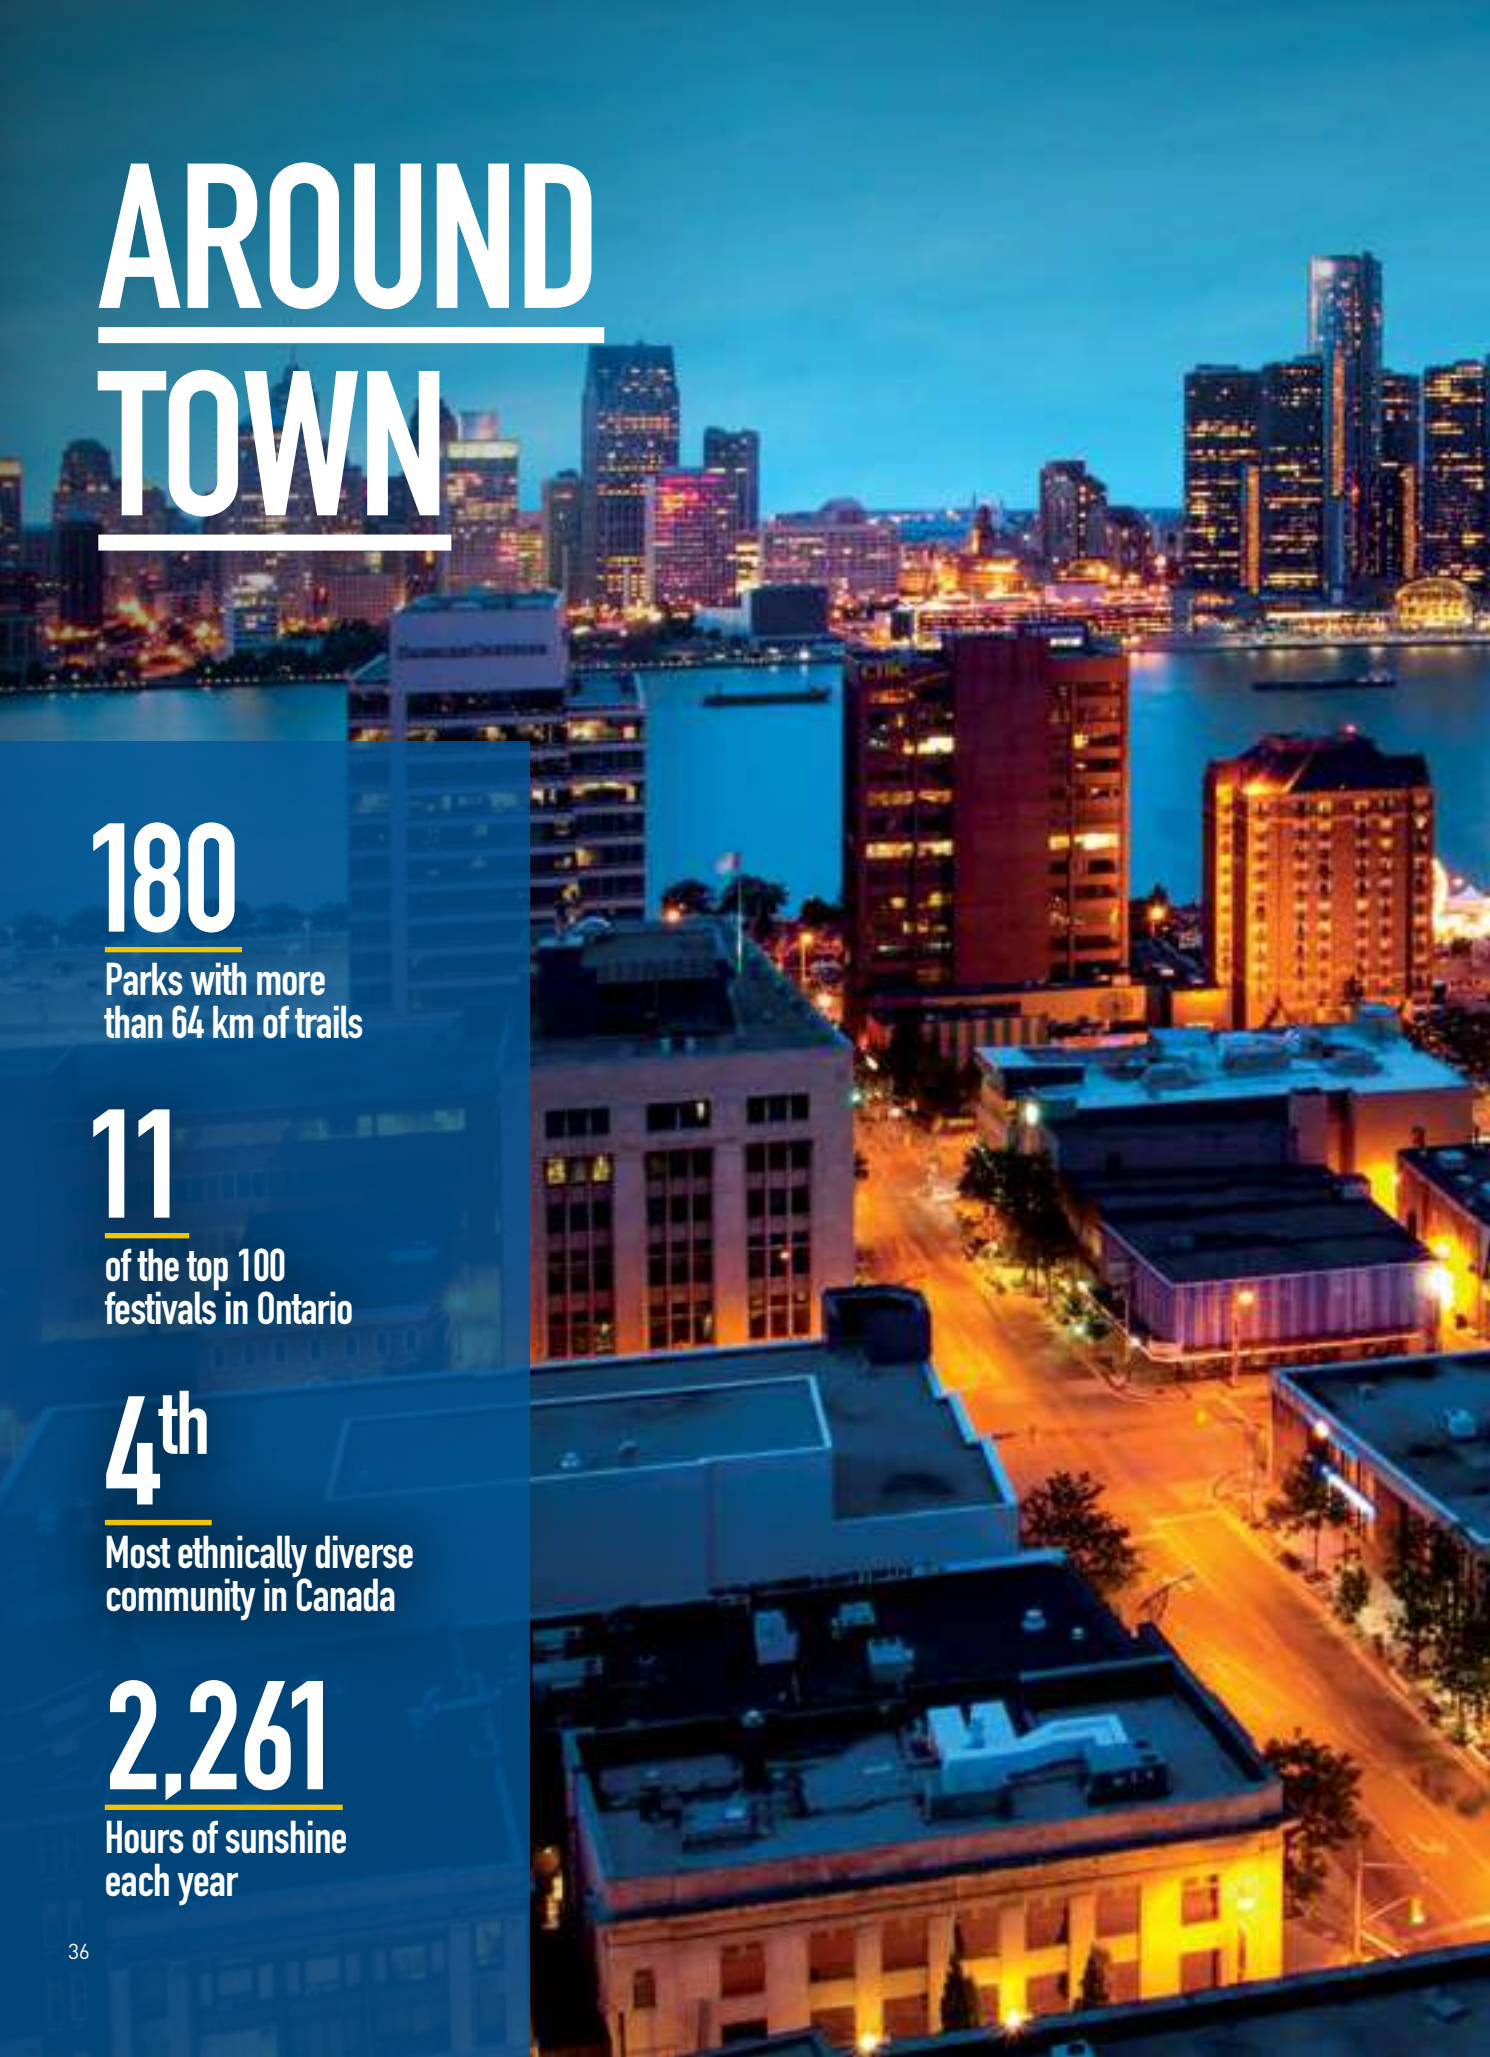

In my Human Kinetics program, I have found integrated research and volunteer opportunities. I've also been able to connect with other students through intramural basketball.

Zeenat Hirani,
Kinshasa, Congo

I have taken advantage of the services available at the Student Success Centre by booking monthly appointments with my Academic Advisors. These appointments allowed me to speak about my schedule, courses, and time management strategy. Having someone to follow up with my progress was helpful because I improved my skills through the resources provided. This is one of the many UWindsor services that helped me enhance in my academic experience.

AROUND TOWN

A nighttime photograph of the Toronto skyline, showing illuminated skyscrapers and buildings across the water, with a street-level view in the foreground.

community in Canada

2,261

Hours of sunshine
each year

Windsor is situated in the heart of the Great Lakes region and is surrounded by lakes and a major international waterway — the Detroit River. Enjoy our five-km waterfront path: bike, blade, jog or walk! We enjoy the warmest climate in Ontario. Fall comes late; spring comes early! Rain or shine — you'll never run out of things to do, from the arts to shopping. When it comes to food, we've got it all — from bubble tea to shwarma to award-winning pizza.

Windsor International Film Festival

Major league sports

Windsor Symphony Orchestra

Essex County is surrounded by water on three sides

10 theatres

Vibrant music scene

World-class art galleries

Pho, pasta, tacos, noodles, steak, curry, sushi, halal—culinary delights from every corner of the planet

Home of third-best pizza in the world

Southernmost city in Canada

Travel the city with a Transit Windsor bus pass

Nearly 50 annual food and cultural festivals held in Windsor and Essex County

HOW TO APPLY AND NEXT STEPS

We process student applications on a rolling admissions timeline. Unofficial documents may include predicted, midterm grades or copies of final transcripts. Your application will be reviewed once all required documents are received.

Recommended Application Deadline Dates:

Program Start	Application Deadline
September/Fall	March 1
January/Winter	September 1
May/Summer	January 1

Considering you will also need to apply for a study permit to come to Canada, we suggest you start the application process as soon as possible.

** If you have not met the required English proficiency, you may be considered for admissions upon completion of our English Language Improvement Program (ELIP). Learn more at [uwindsor.ca/elip](https://www.uwindsor.ca/elip)*

STEP 1: COMPLETE THE APPLICATION FORM

Find the application here:
uwindsor.ca/intl/apply-now

STEP 2: SUBMIT YOUR DOCUMENTS

- Transcripts are required from all institutions you have attended (both secondary and post-secondary). Scanned or photocopied transcripts can be used to start the admissions process. Official transcripts or notarized copies are required to complete the process.
- Translation is needed if the official copies are not in English
- English language proficiency score
- Portfolio (if applicable)
- Official Post-Secondary course outlines are required to assess transfer credit

STEP 3: TRACK YOUR APPLICATION

For information on your application status, visit:
uwindsor.ca/myuwindsor.
Student number (ID) and Personal Access Code (PAC) will be provided to you once your application has been received.

STEP 4: CONFIRM YOUR OFFER

If you are admitted, please follow the instructions provided on your Offer of Admission.

Be sure to:

- Register for classes before arriving to Canada for the best selection.
- Pay your deposit, if applicable, along the tuition and fees associated with your program.

STEP 5: GET A STUDY PERMIT

Your Offer of Admission includes the necessary information to apply for a Study Permit. If you are not a Canadian citizen, permanent resident, convention refugee or landed immigrant, you will need to obtain a Study Permit to study in Canada. Please visit: cic.gc.ca for more details.

STEP 6: PREPARE TO COME TO CANADA

For information on our soft landing program, orientation and pre-departure tips, visit uwindsor.ca/isc.
