STUDYING DURING COVID-19

You are a student in an extraordinary time.

You can be sure that Seneca is putting your health and well-being first. Whether you are on campus, online — or both — you will gain the skills and knowledge you need to be successful. Safely.

We are delivering our academic programs in various formats to provide you flexible learning choices that fit your busy life. If you are coming to campus, you will need to be vaccinated against COVID-19. Visit our website for more details.

Our incredible campus facilities are open with industry-designed classrooms and labs as well as the supports and study spaces you need to be successful. Many services are available online for your convenience.

You have accepted the challenge to pursue your academic and career goals. To build a better future for yourself, your family and the world around you. We can help you get there. We are delighted you are considering Seneca.

NOW IS YOUR TIME

COVID-19 updates: senecacollege.ca/health

Note: During the COVID-19 pandemic, some program and service offerings have been modified and may not reflect the information in this Viewbook. The photos in this Viewbook were taken before the pandemic and reflect the true on-campus experience with real students and graduates. Everyone coming on campus must be fully vaccinated against COVID-19, and masks need to be worn in classrooms and labs.

WHY TORONTO

Consistently ranked as one of the world's most livable and safe cities, Toronto is a great place to study.

•
One of the most multicultural cities with 70+ ethnic groups and 140+ languages and dialects spoken.

•
Toronto's public transportation system is the third largest after New York City and Mexico City.

•
This world class city has something for everyone, with thriving arts and music scenes, professional sports teams, fantastic shopping and a vibrant night life.

•
Canada's financial, IT and manufacturing hub.

•
Toronto is Canada's largest city, and at Seneca, it is right at your doorstep.

•
The Greater Toronto Area (GTA) is home to Seneca's campuses. The city centre can be reached easily by bus or subway.

MEET OUR GRADS

Seneca graduates are prepared for whatever the future holds. Adaptability, confidence and determination are what employers need today and in the future.

MAYOWA DANIEL EMMANUEL
Business Systems Analyst, CIBC
Graduate,
Computer Systems Technology

“Seneca gave me the necessary technical skills to be a valuable team member when I went into the workforce. The co-op component gave me the foot in the door into my career and that’s actually where I’m working at right now.”

MELONIE WHITTAKER
Manager, End to End Process Improvement, Supply Chain Reinvention, Walmart Canada
Graduate,
International Business Management and Global Logistics & Supply Chain Management

“I was privileged to share a learning space with students from all over the world during my program. This made me appreciate people with different perspectives and different backgrounds on a professional and personal level.”

GUS STAVROPOULOS
Chief Financial Officer, Tribute Communities
Graduate,
Business Administration – Financial Planning

“I’ve always believed that with hard work and determination, nothing can stop you from your desired journey but I learned that the missing ingredient is opportunity. Seneca truly understands this formula for success and I am forever grateful for the role they played in helping build my foundation”.

HUMDAN YARKHAN
Manager, Labour & Employee Relations, Sunnybrook Health Sciences Centre
Graduate,
Human Resources Management

“Seneca helped me more than I could ever imagine. I’m still working today at the organization for which I did my co-op 15 years ago. Seneca opened the door for me. It matched me with a premier employer. It prepared me with the knowledge and the skills that I needed to be successful.”

KARINA PEREZ
Air Exports Co-ordinator, DSV Global Transport & Logistics
Graduate, International Transportation & Customs

“Seneca is more than a postsecondary place to study. It is a platform where you can expand your knowledge to reach your highest potential.”

JOSEPH OSEI BONSU
Co-founder/Illustrator, HEROES of the WORLD Inc.
Graduate,
3D Animation

“Any future student that wants to go to Seneca? I say do it. It’s an awesome school, awesome instructors, awesome students. It’s the best place to build new skills and refine some old ones along the way.”

EUGENIO ALANES
Accountant

Graduate, Financial Services Essentials

“I am an immigrant and the struggles that I first faced here was how to get a job. Nobody recognized my education, nobody recognized my experience, even though I have 10 years’ experience as an accountant. Seneca helped me regain these things.”

STEPHANIE HENRY
Traffic Reporter at Breakfast Television, Rogers Media

Graduate, Journalism

“One of my favourite things about Seneca was having professors that were in the industry. I think that’s very important because they have the knowledge that you need in order to make your own way into the industry. Networking is the biggest thing.”

Our graduates make a difference in their fields — and in the world.

STUDY OPTIONS

At Seneca, you decide when and how you want to pursue your goals.

CREDENTIALS

Honours Bachelor Degrees

Seneca honours bachelor degrees are 4-year programs offering the theory and practical experience that employers value.

Graduate Certificates

Graduate certificates are the ideal choice for postsecondary graduates who want more career-focused education and industry experience in a short one- or two-year program.

Graduate Certificate Bundles

Our unique graduate certificate bundle option allows you to apply for two consecutive graduate certificate programs in one application. Select from our range of graduate certificates to create your own bundle and apply for up to three bundles in one application.

Diplomas

Two- and three-year diploma programs prepare you for careers in a wide range of industries.

Practical Experience

A great way to prepare for your career is to combine classroom learning with hands-on experience in the workplace. Many Seneca programs include real-world experience through:

- Co-ops
- Work terms
- Field placements
- Practicums
- Internships
- Externships

Program pages online identify the type of practical experience available for your program. This is a great way to put your program learning into practice, while developing professional contacts, a network and enhancing your resumé before you graduate.

FLEXIBLE LEARNING OPTIONS

Seneca offers flexible learning options to help you reach your education and career goals. Whether you're looking for higher education, to upskill or reskill – our range of full-time and graduate-level studies provide you with flexibility and choice. Many of Seneca's programs are offered online or through hybrid delivery, a mix of online and face-to-face instruction.
