*Enrollment in and successful completion of these programs do not guarantee that a Post-Graduation Work Permit (PGWP) will be issued. All PGWP applications are subject to approval by Immigration, Refugees and Citizenship Canada (IRCC). Applicants are responsible for meeting all eligibility criteria as determined by IRCC. Camosun College is not responsible for the outcome of PGWP applications and has no authority over the processing or determination of a PGWP application. In addition to meeting other PGWP requirements, international students in non-degree programs (such as certificates, diplomas, and associate degrees) must complete a program in an eligible field of study, as designated by IRCC. The program must be on the list of eligible fields of study organized by the Classification of Instructional Programs (CIP) system at the time the applicant submits either the study permit application or the PGWP application, or as otherwise required by IRCC. IRCC may update the list of eligible fields of study and eligibility criteria for PGWP.

Estimated total costs are in **Canadian dollars and include tuition, fees and work integrated learning experience, if applicable. Work experience may be in the form of a co-op, internship, clinical placement, or practicum. The estimated tuition depends on a version of the program and course offerings in a particular semester. Tuition is calculated using approved rates for the 2025–2026, 2026–2027, 2027–2028, and 2028–2029 school years (where applicable). Non-instructional fees and student benefits are based on the 2025–2026 school year. Some costs are subject to change at any time.
