

Welcome to Durham College!

Located in Oshawa, Ontario, Canada, Durham College is just 40 minutes from Canada's largest city – Toronto – where a world of cultural experiences is just a short distance from our campus.

TOP FIVE REASONS TO STUDY IN CANADA – STUDYING ABROAD

Besides our country's geographical beauty and friendly citizens, here are five more great reasons to choose Canada as your educational destination:

- 1. WORK WHILE YOU LEARN AND AFTER YOUR GRADUATE!** While attending college in Canada, international students are permitted to work off-campus by applying for an Off-Campus Work Permit. After graduation, there is also the opportunity to apply for a Post – Graduation Work Permit to gain valuable work experience in Canada.
- 2. LOWER TUITION COSTS** – our tuition rates are considerably lower than many other countries.
- 3. HOME AWAY FROM HOME** – Canada is one of the world's most ethnically diverse countries and Durham College's campus is a quick train ride from Toronto, a cultural hotspot.
- 4. PEACEFUL, EASY FEELING** – see for yourself why the 2012 Global Peace Index ranked Canada as the fourth-safest country in the world.
- 5. A PERFECT FIT** – our campuses offer a number of ways to get involved. Whether its participating in intramural or varsity sports or joining one of the many student clubs, you're sure to find your fit.

AIRPORT TO ACADEMICS – WE'VE GOT YOU COVERED
