4. What issue is the poem trying to raise?

www.evidyarthi.in

Do you think this is an important issue?

Why?

Ans: The poem raises the issue of rights for a girl child. A girl should be treated equally in society. She should be given the same right as a male child is given. Inheritance in the paternal properties should be equally divided among all the members without any consideration of boy or girl.

Dowry is not a compensation to a girl child. It should be abolished. This poem raises a very justified issue.
