**Question 1.** Read and discuss the following description of the living conditions of workers who come to the labour chowk. Most workers that we find at the labour chowk cannot afford permanent accommodation, and so sleep on pavements near the chowk, or they pay Rs 6 a night for a bed at a nearby night shelter run by the Municipal Corporation. To compensate for the lack of security, local tea and cigarette shops function as banks, moneylenders and safety lockers, all rolled into one. Most workers leave their tools at these shops for the night for safekeeping and pass on any extra money to them.
